The District Agenda is comprised of five different sections:

The meeting will begin promptly at **6:00 p.m.** with the first section which is called **Audience Comments**. The Audience Comment portion of the agenda is where individuals may comment on matters that concern the District. Each individual is limited to three (3) minutes for such comment. The Board of Supervisors or Staff is not obligated to provide a response until sufficient time for research or action is warranted. IF THE COMMENT CONCERNS A MAINTENANCE RELATED ITEM, THE ITEM WILL NEED TO BE ADDRESSED BY THE DISTRICT MANAGER OUTSIDE THE CONTEXT OF THIS MEETING. The second section is called **Business Administration**. The Business Administration section contains items that require the review and approval of the District Board of Supervisors as a normal course of business. The third section is called **Business Items.** The business items section contains items for approval by the District Board of Supervisors that may require discussion, motion and votes on an item-by-item basis. The fourth section is called **Staff Reports**. This section allows the District Manager, Engineer, and Attorney to update the Board of Supervisors on any pending issues that are being researched for Board action. Occasionally, certain items for decision within this section are required by Florida Statute to be held as a Public Hearing. During the Public Hearing portion of the agenda item, each member of the public will be permitted to provide one comment on the issue, prior to the Board of Supervisors' discussion, motion and vote. Agendas can be reviewed by contacting the Manager's office at (813) 933-5571 at least seven days in advance of the scheduled meeting. Requests to place items on the agenda must be submitted in writing with an explanation to the District Manager at least fourteen (14) days prior to the date of the meeting. The final section is called **Supervisor Requests**. This is the section in which the Supervisors may request Staff to prepare certain items in an effort to meet residential needs.

Public workshops sessions may be advertised and held in an effort to provide informational services. These sessions allow staff or consultants to discuss a policy or business matter in a more informal manner and allow for lengthy presentations prior to scheduling the item for approval. Typically no motions or votes are made during these sessions.

Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting is asked to advise the District Office at (813) 933-5571, at least 48 hours before the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770, who can aid you in contacting the District Office.

Any person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that this same person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which the appeal is to be based.

6. **Renewal and Termination**. This Agreement shall automatically renew on an annual basis. Either party may terminate this Agreement with sixty (60) days written notice to the other party if that party determines that it does not need to use the irrigation well pump any longer.

A. PROCEDURES FOR APPLICATION

1. Apply in person or via Fax (813-276-3389). Requests for service must be received seven (7) days before the event at the address listed on the cover page, between the hours of 8:00 A.M. and 4:00 P.M. Monday through Friday. Any requests made less than seven (7) days in advance are only processed with the understanding that the assignment may not be filled.

2. Background check is required for establishments with Alcohol license. The background check requires 2 weeks and an additional fee applies.

B. TYPES OF PERMIT

1. A Permanent Permit is issued when service of officers in an extra-duty capacity will be needed on a regular recurring basis. Upon initiation of a permanent permit, the customer must pay a deposit equal to two (2) months estimated billing. **Upon termination of the permit, the deposit will be applied to any outstanding balance due, and any remaining deposit balance will be refunded to the customer.** The extra duty supervisor may adjust the amount of deposit required based on actual history of extra duty service.

2. A Temporary Permit is issued when service of officers in an extra-duty capacity will be needed during a period of less than two (2) weeks. A temporary customer will be required to pay for the service requested before an Officer will report to the assignment.

   NOTE: The final determination of permit type rests with the Extra Duty Supervisor.

C. PAYMENT METHODS

1. Permanent Permit: Customer will be billed monthly and must make payment upon receipt of billing, in cashier's check, cash, money order, or company check.

   The Director of Finance, or designee, is authorized to declare all fees due and payable, and may revoke the credit privileges for use of the Extra Duty services at any time, upon finding that the user's current billing for usage of the Extra Duty services is delinquent or exceeds the user's payment guarantee (deposit). A billing will be declared delinquent when payment in full has not been received by the City by the last calendar day of the month in which the bill is dated, or twenty (20) calendar days after the initial billing date, whichever is greater.

A late fee of $25.00 will be charged on any delinquent account beginning the forty-fifth (45th) calendar day following the initial billing date, and each subsequent 30 day interval from such date until the account is no longer delinquent.

2. Temporary Permit: Customer must pay for services before the assignment. The acceptable forms of payment are a cashier's check, cash, or money order. Officers can work additional hours with permission granted by the shift commander or extra duty staff. If this should occur, the customer must pay the additional charges the next business day at the Extra Duty Office. To prevent this, the customer can pay for extra hours and if unused will be reimbursed. **NO OFFICER IS ALLOWED TO ACCEPT MONIES FROM A CUSTOMER.**

D. UNSCHEDULED HOURS

1. If an officer works additional hours (i.e. makes an arrest while working extra-duty) on an extra duty assignment, the customer is responsible for prompt payment of the additional costs.

2. If this occurs on a Permanent Permit assignment, the customer's regular billing will reflect the additional costs and the officer will be compensated.

E. OFFICER'S PAY VOUCHER
